

Sixtieth Anniversary

XB-21 XST BASS BOAT

2016

The **XB-21 XST** is an all-composite, professional bass boat, available in single or twin console models. The moderately equipped **XST** is laid-out and constructed **identical** to the **BasSport Pro** but still offers **BOTH** the **HIGHEST QUALITY** and the **LOWEST TOTAL COST OF OWNERSHIP** of any *big-name* bass boat. With its patented, ultra-low-drag hull-design, the **XST**, powered with 50-75 less horsepower, can out-perform other bass boats as well as go **TWICE AS FAR on a gallon of FUEL!** **Do the math: GREAT Fishability**, with the absolute **BEST Ride and Performance**, plus **UNMATCHED (All Composite) Durability**, and all at **HALF the FUEL COST.**
Need we say more?
