

# 60+ Years and 102 Reasons Why Allison is the Outboard Boating Industry Leader

## Allison Firsts

1. 1954 Cupped Propeller
2. 1957 Mechanical Engine Trim
3. 1957 Foot Throttle
4. 1958 Hydraulic Engine Trim
5. 1960 60 MPH Pleasure Boat
6. 1961 High Performance Fiberglass Sport Boat
7. 1962 Molded-in Fiberglass Bucket Seats
8. 1962 High Performance Fishing Boat
9. 1962 Pedestal Seat for Fishing Boat
10. 1963 Nose Cone for Gear Case
11. 1963 Torque Tab on Lower Unit Skeg
12. 1967 Running Pad on V Bottom Boats
13. 1968 Deep V / Pad Hull
14. 1968 Fishing Boat V-Hull Pad Bottom
15. 1968 Adjustable Tunnel in Bottom of Boat
16. 1969 100 MPH Pleasure Boat
17. 1970 Wing Stabilizer for Boats
18. 1970 Adjustable Front Foil for Tunnel Boats
19. 1970 V Bottom Production Bass Boat
20. 1970 Deep V Pad Bass Boat
21. 1970 Wide Body Bass Boat
22. 1970 One Piece Molded Bass Boat Interior
23. 1970 Center Mounted Live Well
24. 1970 Organized Built-in Tackle Box
25. 1970 Cooler & Cook Stove in Bass Boat
26. 1972 Tri-Hull V Bottom Bass Boat
27. 1972 Remote Control Live Well
28. 1972 Set Back Jack Plate
29. 1972 In-Hull Transducer for Depth Finder
30. 1973 Molded-in Transducer Box
31. 1973 Contoured Fold Down Bass Seat
32. 1973 Center Pod Tunnel Hull
33. 1974 Set Back (Notched) Transom
34. 1975 100 MPH Bass Boat

35. 1976 Patented Bass Boat Design
36. 1976 Modern Day Bass Boat Layout
37. 1976 Telescopic Pedestal Seat Mount
38. 1977 Current Sportmaster Gear Case Design
39. 1982 Winged Hull Side Design
40. 1983 Streamlined Bow Stop Trailer
41. 1983 Adjustable Driver Seat
42. 1986 All Composite (No-Rot) Bass Boat
43. 1986 Composite (No-Rot) Transom
44. 1986 Raised Flipping Deck for Bass Boats
45. 1987 Trim Switches Built-in Wheel
46. 1990 Bow Frame Design Boat Trailer
47. 1994 Top Cable Entry Foot Throttle
48. 2003 All LED Interior Lighting
49. 2003 No-play AHP Hydraulic Steering
50. 2010 E-Ped (Electronic Pedestal)
51. World's Fastest Boats

## Allison Exclusives

52. World's Most Fuel Efficient Boats
53. World's Best Riding Boats
54. World's Most Durable Boats
55. World's Winningest Boats
56. Holder of the Most World Speed Records
57. World's Most Copied & Highest Quality Boats
58. World's Only Sport Utility Boat
59. Patented Deep-V Pad Boat Hull Design
60. Patented Concave Tunnel Chines
61. Patented Stepped Strake Efficiency
62. Patented Built-in Planning Tabs
63. Patented Hydro-planning Foil (Cavitation Plate)
64. Patented Skid-planer (2X HoleShot Speed)
65. Lift Producing Lip on Trailing Edge of Pad
66. Unibody Fiberglass Base Boat Construction
67. Steel Reinforced Structural Frame Transom

68. Integrated Structural Aluminum Transom Frame
69. X Bolt Engine and Jack Plat Mounting System
70. Molded-in Aluminum Backing Plates
71. Leather Grain Textured Fiberglass Interior Surfaces
72. Full Wind Protection Bass Boats
73. Four Seat Bass Boats
74. Runabout Seating Position Bass Boats
75. Most Storage Volume of All Bass Boats
76. Quick Access, Multi-position, Tackle Storage System
77. Automotive Style Recessed Instrument Panels
78. Self Latching Compartment Lids for Bass Boats
79. Aluminum Foam Grip Sport Steering Wheel
80. Automotive Type Gear Shift
81. Adjustable Racing Type Bucket Sets
82. Side Slide Adjustable Driver Seat
83. Two Position Passenger Seat Mount (Swiveling)
84. Telescopic Ski Tow Bat (Doubles as Seat Pedestal)
85. Molded-in "Quick Draw" Fire Extinguisher Holder
86. Built-in Trash Receptacle (Head)
87. Emergency (head) in Bass Boats
88. Flush Built-in Docking Lights
89. Flush Built-in Adjustable Headlights
90. Flush Mounted built-in Horn
91. Lift up (Easy Access) Instrument Console
92. Easy Lift Trolling Motor Placement
93. Comfort Angle Trolling Motor Foot Pedal Tray
94. Quick Draw, Organized, Bulk Rod Storage
95. Rod Storage Trays Above Deck
96. Disappearing Sliding Rod Locker Doors
97. Magnetic Switches for Compartment Lighting
98. Live Well Flush Out Drain
99. Easy Access (Quick Change) Aerator Pumps
100. Quick Change Windshields (Choice of Heights)
101. Convenient Grab Handle at Bow
102. Lowest Cost of Ownership
