

XB-21 XST BASS BOAT

2018

The ***XB-21 XST*** is an all-composite professional bass boat. Constructed **identical** to the ***BasSport Pro***, the ***XST*** is available in single or twin consoles and can be custom equipped to meet any fisherman's needs, but at a lower cost. Its **patented**, ultra-low-drag hull-design, allows the ***XST*** to go **TWICE AS FAR on a gallon of FUEL**; and with 50-75 less horsepower, it will still out-perform other bass boats. The ***XST*** is the **ONLY** "big bass boat" that can boast **BOTH** **→ HIGHEST QUALITY ←** **AND** **→ LOWEST TOTAL COST OF OWNERSHIP ←** of any "Big name bass boat". Do the math: **UNBEATABLE Ride and Performance**, **GREAT Fishability**, **UNMATCHED DURABLE** (all-composite) Construction, and all of this at **HALF the FUEL COST!** Need we say more?
