As a leading manufacturer of boats, we take great pride in providing high-quality products that not only look good, but are durable, affordable, and reliable. Our teams of experienced engineers, designers, and riggers work tirelessly to ensure that every boat we produce meets our strict standards of excellence. We believe boating is not just a hobby but a way of life, and we're excited to share that passion with you.

Rory A. Herndon  
President

In 1966, our very first weld established the foundation of a company founded on a commitment to manufacture the finest all-welded aluminum boat. Three generations later, our family commitment remains the same and has not and will not deviate from that premise. Xpress Boats continues to flourish and revolutionize by investing in technology and improving our methodology to guarantee the finest, cost-efficient solution on the water today. Welcome to the Xpress Boats 2026 lineup of original all-welded aluminum fishing and hunting boats. We invite you to join our family and become part of a tradition and heritage no other company can profess. Contact your local Xpress Boats dealer to begin your adventure.
